City Resource: Project Finder

The City's Transportation and Storm Water Department (T&SW) is responsible for the operation and maintenance of streets, sidewalks, and storm drains, and plans and coordinates work in the public right-of-way. The public can view these types of projects through Project Finder, an online resource guide that displays projects, events, and activities underway or planned for the City's rights-of-way.

I encourage you to explore Project Finder and provide your feedback about the platform to me at MarkKersey@sandiego.gov and to TSW at Projectfinder@sandiego.gov.

Recap of Protecting Seniors Against Fraud

Seniors today are more active and independent than ever before, yet they remain among the most vulnerable to criminal opportunists. To empower District 5 seniors with the resources to protect themselves against financial fraud, San Diego County District Attorney Summer Stephan and I hosted a free seminar at Seven Oaks Community Center last month.

Some tips for seniors from the DA:

- Let calls from unknown numbers go to voicemail
- Be skeptical of all unsolicited offers
- Make purchasing decisions with a trusted family member

To be notified about the next seminar, sign up at <http://bit.ly/protectingseniorsagainstfraud>.

Brush Management Regulations and Wildfire Action Guide

The City of San Diego has more than 500 linear miles of wildland-urban interface where the back yards of homes meet dense native-naturalized vegetation in canyons and other open space areas.

With fire season as a year-round reality in our region, brush management is needed to reduce fire hazards around structures and to help firefighters protect life and property.

Learn how to make your home fire resistant, create defensible space, and plan for each step in 'Ready, Set, Go!' at <https://www.sandiego.gov/sites/default/files/rsg-english.pdf>.

JOIN THE SDPD NORTHEASTERN DIVISION IN CELEBRATING NATIONAL NIGHT OUT 2019

Tuesday, August 6th, 2019

5:00 p.m. to 7:00 p.m.

Northeastern Division

13396 Salmon River Road San Diego, CA 92129

National Night Out is an event designed to heighten awareness of crime and drug prevention, generate support for anti crime programs and strengthen neighborhood spirit and police/community partnerships. We will have various booths set up for kid's activities, child fingerprinting with photos, entertainment, snacks and provide safety information to the citizens in our community. SDPD SWAT, SDPD K9 and variety of other SDPD representatives will be here to celebrate the 36th anniversary of National Night Out.

This is SDPD Northeastern Division's 7th annual National Night Out, we are very thankful to Target Stores for partnering with us again this year to provide a free event. We will have many more wonderful contributors setting up booths.

LET THE CRIMINALS KNOW, THE NEIGHBORHOODS ARE FIGHTING BACK!

Residence and neighborhoods throughout San Diego and across the nation are asked to lock their doors, turn on outside lights and spend the evening with neighbors and first responders.

Please contact Community Relations Officer Julie Dragt (jdragt@pd.sandiego.gov) or Community Relations Officer Christina Santos (csantos@pd.sandiego.gov) if you have any questions.

Coexisting with Rattlesnakes

Snake season is in full swing in San Diego and rattlesnakes are likely to show up in neighborhoods and on hiking trails. The California Department of Fish and Wildlife advises you to be alert and stick to well-used trails. Avoid tall grass, weeds, and heavy underbrush where snakes may hide during the day. For tips on keeping snakes out of your yard and what to do in the event of a snake bite, visit <https://www.wildlife.ca.gov/Keep-Me-Wild/Rattlesnakes>.

If you have a rattlesnake in your yard/home that you need help relocating, please call Humane Law Enforcement at 619-299-7012 and press 1.

Part of living in the digital era is understanding the importance of protecting our private information. A cyber team from Del Norte High School understands this issue so well, they claimed the top prize in the California Mayors Cyber Cup competition to fight cyberattacks.

These cyber champions will continue to be strong advocates for cybersecurity awareness in our community. I'm honored to host the trophy on their behalf, representing San Diego.
